## ON THE GRILL

The Atlantic salmon we use for our grilled salmon entree is shipped in from Quality Seafood out of Austin and broken down into fillets in house. The salmon is then grilled over our wood fire grill and served over a bed of curry infused basmati rice and grilled asparagus and then finished with our mango chutney that adds a nice tangy finish to the robust flavor of the wood grilled salmon.

## MIXOLOGY

To match Chef Brandon's Atlantic fire grilled salmon, we chose a Pinot Grigio from Ecco Domani. It offers delicate floral and tropical fruit aromas of pineapple, passion fruit and mango that play well with the mango chutney, and blends perfectly with the curry-infused rice.

Our martini menu is still being perfected with several innovative new cocktails that highlight technique, creativity and fresh ingredients. Be sure to try the newest cocktail from our team — the Key Lime Pie "Martini". Rum, coconut, and fresh squeezed lime juice carefully crafted into a creamy cocktail that is sure to shake those cold
